# Christmas Craft and Cooking Activities - Grade 5

15<sup>th</sup> November, 2017

Dear Parents,

As Christmas approaches, we are very excited to be celebrating the festive season by making some beautiful Christmas crafts and edible treats in grade five.

In December, we will be having Christmas rotations where grades will visit all of the grade five teachers to make something Christmassy. Students will have the opportunity to create some fantastic decorations, which we are all looking forward to making! These include miniature Christmas stockings, Christmas tree ornaments and some yummy Christmas treats.

The cost of all these activities combined is \$5.00 and this is part of the Excursion Levy.

We can't wait to break out the glitter and glue and get into the spirit! We know you'll love what we're going to make!
