

Grade 5 Scienceworks Excursion Tuesday 31st October

11th October 2017

Dear Parents,

In term four, the Grade 5 students will focus on The Earth and it's place in space for their Inquiry unit. To explore this exciting topic, Grade 5 students will have the opportunity to attend Scienceworks on **Tuesday 31st October**. We will be going into the Planetarium to see the 'Tilt Show' and take part in the Energy Lab - Earth, Moon and Sun Show. There will also be time allocated for general viewing, which provides opportunity for fun, interactive hands on experiences.

On the day of the excursion, please send your child to school with their playlunch, lunch and a re-fillable drink bottle in a labelled plastic/paper bag or lunch box as the children **will not** be taking their school bags. Students are expected to wear full school uniform. **As the bus will be leaving right at 8:50, we ask that the children be at school by 8.40am to collect their lanyard and for their name to be marked off. We will NOT be waiting for latecomers as we are on a tight schedule and don't want to miss any of the fantastic activities planned for us.**

The cost of the excursion is **\$25.00**, and this is part of the excursion levy.

We will need one parent helper per grade to come with us on the bus and to help supervise. If you are available and have a current Working With Children's Check please fill out the form below.

Please complete and return the permission slip and payment (if the excursion levy has not been paid) to school by **Wednesday 25th October 2017**.

We are looking forward to an exciting day!
