

Grade 6

Fizzics – Digital Microscopy Incursion Friday 3rd November 2017

11th October 2017

Dear Parents,

On **Friday 3rd November 2017** Grade Six students have the opportunity to participate in interactive, hands on 'Digital Microscopy' Incursion.

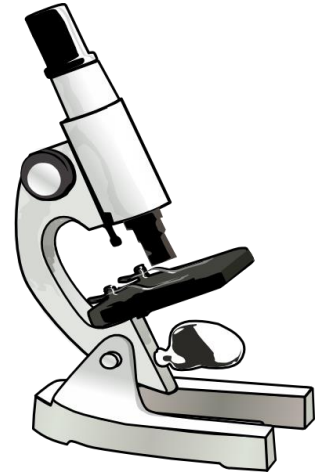

The day will support our exciting 'I will survive' unit of study by allowing students to look at all sorts of things up close!

Students will observe, sketch and label specimens. They will learn why scientists use microscopes and explore the biology of microbes. We will discover that there is much more than what meets the eye!

We are looking forward to this exciting day!

This cost of this incursion is \$12.50 and this is part of the Excursion Levy.

Please complete and sign the form below and return it together with payment to your teacher by **Friday 27th October 2017**.
