

# 2017 Grade Six Graduation Tickets

27<sup>th</sup> November, 2017

Dear Parents,

The Grade Six Graduation Night is fast approaching and students have been eagerly awaiting these details!

The graduation ceremony and dinner will be held on **Tuesday 19<sup>th</sup> December 2017** at Karralyka Theatre in Mines Road, Ringwood.

Students are asked to **arrive at 6.00 p.m. for a prompt 6.30 p.m. start.** We would like all visitors to be seated by 6.20 p.m. This twenty-minute window will be the best time to take family photos. Students will meet their teachers in the foyer while family members take their seats in the auditorium.

The presentation ceremony will begin at 6.30 p.m. sharp. The ceremony will take approximately one hour. We ask all family members to depart as soon as possible so that the students can be seated for their meals by 8.00 p.m. You are required to pick up your child at **10.00 p.m.**

A professional photographer has been booked for the evening. Photos will be taken of the students during the night. Please note that the photos are for students only, not family members. Students will have the opportunity to have their photos taken with friends of their choosing. The photos can be viewed for purchase either at the graduation venue (when you collect your child) or at school the following day, after 3.00 p.m. near the office. **Payment is to be made directly to the Photographer at time of order.**

The dress code is 'smart casual'. This will be discussed with the grade six students. Boys should wear neat pants or dressy jeans (no slogans or big labels, please) and a collared shirt or polo. Many girls have discussed their dresses already. Please ensure students dress 'age-appropriately'.

Guest tickets will be limited as the theatre only holds 380 people. **There is no cost for Guest tickets.** Please nominate how many tickets below and we will do the best to accommodate your needs. **Please understand that we can only guarantee 4 tickets per student.**

We look forward to seeing you on the night.
