

PREP CAKE STALL! CHRISTMAS FAIR

The Prep classes will be in charge of running and supplying the cake stall for our Birmingham Christmas Fair. The cake stall is always popular with families that appreciate homemade cooking. It is a wonderful reminder that fundraising events like this one are successful due to the participation of the whole school community. Please help toward this year's success by bringing in an item for our Cake Stall.

Cakes, slices, biscuits, muffins, pies, brownies, gluten-free items and diabetic items are just some suggestions.

Could you please complete the tag below including your name, phone number and a list of all ingredients and attach it to the cake plate. Please note that we cannot accept baked goods which have nuts due to severe allergies. All efforts towards presentation (cellophane and ribbon) will help to sell and would be greatly appreciated.

CAKE DROP OFF: As we have very limited freezer and fridge space, cakes can be dropped off on Wednesday the 29th of November to your child's teacher before 3.00pm.

Thanks, The Prep Team!

FOOD HANDLING

In accordance with the Food Handling and Safety Regulations, we are obliged to advise you of the following:

- Always wash your hands before handling food
- Ensure all work surfaces and utensils are clean and sanitised before preparing food
- Ensure food is protected from contamination, in sealed/closed containers or in cling wrap
- Store food away from direct sunlight and moisture
- If you are transporting food to an event, keep chilled food cold by using an insulated cooler with plenty of ice or cold blocks
