

29th November 2017

Dear Parents,

One of our Prep students was hit by a car yesterday morning at the top of Birmingham Road. He is fine and he was taken to hospital overnight for observation.

Some children did witness the accident and they may want to talk about it or they may be upset.

Our Psychologist Julie O'Byrne will be available Friday 1st December in the morning if any parents and/or children would like to have a chat.

Please contact the school if you would like to speak with the Psychologist.

Yours sincerely,

Trish Enzinger
Principal

Birmingham Primary School No. 5048
