

Grade 4 Classroom Helpers 2018

28th February 2018

Dear Parents/Guardians,

We have had a lot of parents express interest in helping in the classroom this year and we would like to say thank you to everyone who has spoken to their child's teacher about helping in our classrooms!

In thinking about how we could best use your help, we have decided, as a team, to start up a reading program to support our struggling and reluctant readers.

If you are interesting in helping us with this program in the classroom, could you please send back the slip below by Monday 5th March 2018.

Classroom teachers would guide you in how to best support these students – no experience is necessary – and we would only need your help for around an hour or so each week.

If you could also let us know what days and times suit you best that would be great. Then we can make up a bit of a timetable and get a better understanding of how we will make it all work!

Thank you so much again for your support!

Trish Enzinger
