

Very Important Prep People - Term 1, 2018

28th February 2018

Dear Parents,

This Term the Prep students are learning about our classroom community in our Inquiry Unit "Knowing Me, Knowing You." We are learning about ourselves and each other as we build on our School Values, especially Compassion, Community and Curiosity.

As part of our unit, we would like students to invite someone from their family or a special friend to share their story with the grade. This person may be a grand-parent or another person close to your child's life with a special story, keepsake or skill. They could share their upbringing, photos, artefacts, cultural background/traditions, read a story, talk about their careers, play an instrument or demonstrate a game from the past or skill such as knitting.

Your child's "VIPP" will be invited to share their story with the grade either in the morning or the afternoon one day during the last three weeks of term. Please fill in preferred times in the table below.

Please fill in times you may be available and return this form to your child's classroom teacher by **Wednesday 7th March 2018**. A roster will be generated and sent home with your allocated time.

We thank you for supporting our inquiry unit and look forward to hearing all of the VIPP stories!

Regards,

Trish Enzinger
Principal
