

# Boys and Dads Night Grades 3 – Grade 6 Tuesday 1<sup>st</sup> May 2018

18<sup>th</sup> April, 2018

Dear Parents,

**There will be a Boys and Dads Night on Tuesday the 1<sup>st</sup> May, from 6.30 to 8pm.**

The aim of the night is for fathers (or an adult male significant in their lives) and sons to share a variety of fun reading activities.

Reading is a top priority and we are constantly encouraging children and their parents and guardians to share in this special time together. Children really enjoy having their parents at school.

There will be a short talk by two male speakers. One, Mr. Matt Gill who works as a Detective and Mr. Andrew Griffin who works in IT. A light supper and refreshments will be provided during the evening.

Please complete the form below and return it to the mailbox outside the office by **Friday 27<sup>th</sup> April 2018.**

We look forward to seeing you all there!
