

Grade 2 Start Smart Incursions

Dear Parents,

16th April 2018

On **Wednesday 2nd May 2018** the Grade 2 children will take part in '**The Start Smart Primary Program**', which is run by the Commonwealth Bank.

During the workshops, students will learn new money skills and develop an understanding about currency, the difference between 'wants' and 'needs', and the importance of saving.

Please note, there is **no cost** for this incursion.

We look forward to further developing our number skills through fun, hands-on activities!

If you have any questions, please see your child's teacher.

Regards,
