

18th April 2018

Prep - Mother's Day Pamper Party Friday 11th May 2018 2:30pm – 3:30pm

We all know how hard our lovely Mums and primary female carers work! To celebrate all the incredibly tremendous things you do for your children and your families, the Preps would like to invite you to an afternoon of appreciation and pampering!

You will have the pleasure of sitting back with a delicious drink and a special treat to nibble on, while your beautiful children paint your nails, do your hair or give you a relaxing hand or shoulder massage.

I'm sure you will come away feeling calm and relaxed before you go home and tackle the cooking, washing, cleaning, taxi driving, sports, dancing etc. etc. etc.

If you can come - please bring along a hair brush/ties/clips, moisturiser, nail polish etc. and send the below attendance confirmation by **the due date below**.
