

## Grade 4 Classroom Reading Program Training Session Wednesday 23<sup>rd</sup> May 2018

14<sup>th</sup> May, 2018

Dear Parents/Guardians,

We had a very positive response when we sent home expressions of interest for parents to help with our struggling and reluctant readers in class!

As promised, we have organised a training session to support parents in helping with this classroom program.

Julie O' Meara has kindly offered to run a one-hour session after school on **Wednesday 23<sup>rd</sup> May** to go over how to read with children and what to do to help with accuracy, fluency and comprehension. **The session will run from 3:45pm - 4:45pm** and is open to **all Grade 4 parents**.

If you would like to help us with this reading program, we ask that you attend this session with Julie. (Please note – If you have attended the 'Bridges' training with Julie, you will not need to attend the training session.)

Please return the slip below by **Monday 21<sup>st</sup> May** to let us know if you are able to attend the training session so we can cater to the numbers. After the training session, we will send home a timetable outlining which students you will be working with on what days and at what times.

If you have any questions or queries, please feel free to contact your child's teacher.

We look forward to having you work alongside the Grade 4 team to improve the reading of all Grade 4 students!

Thank you so much again for your support!
